[Upper Animas Contact List combined 19MAR2015.xlsx](#)

Martin et. al. – Attached is the Upper Animas contact list. I thought that you might find it useful to have the list since it has quite a few key contacts on the list with phone #s & email addresses. It should be fairly current and up-to-date but no guarantees. We keep in on the I-drive Restricted Share under the Upper Animas folder in the subfolder – Community Involvement in case you mis-place your copy altho' I don't think you, Sandy & Noah have access – but the rest of us do. Let us know if you want access.

And of course you can always contact Liz Fagen or I if you need a phone #. Thanks.
